AITIVADAY, 24 MAY, PIACENZA FAIR

LET'S MEET IN AITIVA to discuss about INNOVATIVE AND PRIORITY TECHNOLOGIES in the COATING sector.

In just one day the visitors can have an up-to-date overview about the novelties, the future technologies, the legislative adjustments, but above all to consolidate those interpersonal relationships, so useful for the enrichment of the personal job. This will be possible thanks to the meetings with the technicians of the participating companies and through the congress, where the companies will show their conferences.
